OUR INNOVATION

We are always striving to be innovative and to this end we offer prospective clients a full audit assessment on their current printing and security environment - free of charge and without obligation.

As a result of the audit, we are often able to offer new and technologically up to date equipment and security systems that have the effect of improving efficiency in the relevant area of our client's business, whilst at the same time saving the client money. Our aim is for us to take care of your printing and security environment so that you can take care of your business!

Eyesizwe has supplied and enjoyed successful relationships with many clients, ranging from small one man businesses to large multi-listed blue chip companies.

If you require any of these reference sites, a list is available on request.

OUR SERVICE

Eyesizwe also offers competitive service agreements backed by our professional technicians who are specialists in their respective fields. We also provide a range of financial packages, including different rental options to suit your particular budget.

OUR VISION

To be the leading one stop shop for office and security solutions.

OUR MISSION

To provide our customers with a wide range of industry-leading products, backed up by professional service at competitive prices.
